Re-Elect Tony SCARPINO

DEMOCRAT for DISTRICT ATTORNEY

Democratic District Attorney Anthony Scarpino is recognized as a leader in New York for taking an approach to justice that prioritizes public safety and progressive reform.

And while others talk the talk on results, experience and reforming the office, DA Scarpino has the record to prove it.

AN UNMATCHED RECORD OF KEEPING US SAFE

- **PROSECUTING SERIOUS CRIMES** and standing up for victims of domestic violence, sexual abuse, and crimes against children and the elderly
- **REDUCED** the County's violent crime rate by 20%
- **SUCCESSFULLY PROSECUTED VIOLENT CRIMINAL GANGS**, has taken hundreds of guns off our streets and strengthened the Gang, Firearms and Narcotics Bureau

A BOLD PROGRESSIVE VISION

- **PROVIDES TREATMENT**, not needless incarceration, for those struggling with substance abuse and addiction and created the Heroin and Opioid Task Force
- **ESTABLISHED A CONVICTION REVIEW UNIT** to preserve the integrity of our criminal justice system and ensure that law enforcement misconduct is met with accountability
- **ESTABLISHED THE SCHOOL SAFETY COMMISSION** to better prepare our educators and first responders for school-related emergencies to keep our children safe

Our Westchester District Attorney Anthony Scarpino Gets Results for Us. We Need Substance, Not Flash.
