# Re-Elect Tony SCARPINO

DEMOCRAT for DISTRICT ATTORNEY

## District Attorney Scarpino Protects Our Community from Abuses of Power

Democratic District Attorney Anthony Scarpino holds everyone in our criminal justice system to the same standard, and that includes the police. No one is above the law.

**"I will continue to hold the police accountable for misconduct and excessive use of force. No community or individual should ever have to unfairly suffer at the hands of law enforcement."**

## A Bold Progressive Vision

While others talk the talk on reforming the DA's office and holding those in power to account, DA Scarpino has the record to prove it.

- Successfully prosecuted more than a dozen cases of law enforcement misconduct with more cases under active investigation
- Established a Conviction Review Unit to preserve the integrity of our criminal justice system and ensure that justice is properly served in all communities
- Provides treatment, not needless incarceration, for those struggling with substance abuse, and created the Heroin and Opioid Task Force

**Let's Re-Elect a True Champion of Justice. Let's Re-Elect DA Tony Scarpino.**
